

MITZ ZYRELLE M. VICTORIO

COMPUTER ENGINEERING STUDENT

CONTACT

cgabriel0919@gmail.com

Tuguegarao CIty, Cagayan

SKILLS

- Programming Languages
- Python
- Jav
- C++
- C
- Microoft Office Suite
- Visual Studio Code
- Arduino IDE
- MPLAB / MikroC
- Git (Basic)
- Technical Skills
- Basic Hardware Troubleshooting
- Wire Shark
- Cisco Packet Tracer

PROFILE

Motivated Computer Engineering student at Cagayan State University with a strong interest in software development, cybersecurity, and embedded systems. Develops security-focused applications in Python within a Linux-based computing environment, complemented by proven project management, documentation, and leadership experience gained through active involvement in student organizations. Detail-oriented and results-driven, seeking opportunities to apply technical expertise and leadership capabilities in a professional setting.

CERTIFICATES AND ACHIEVEMENTS

- Programming Fundamentals
- Object-Oriented Programming
- Automatic Waste Segregator using Arduino Uno
- Automatic Illegal Parking Lot Detector using Arduino Uno
- Regional ITE-SUMMIT 2026
- International Conference on Engineering the Intelligence Future: AI, Robotics, and Modular Energy System

CERTIFICATIONS AND ACHIEVEMENTS

- **BOSH- Safety Officer 1, June 18, 2026**
- **ICpEP.SE CSU CHAPTER Committee Member 2025 - 2026**
- **ICpEP.SE CSU CHAPTER Committee Head 2026 - 2027**

EDUCATION

Bachelor of Science in Computer Engineering 2026 – Present
Cagayan State University – Carig Campus

Science, Technology, Engineering, and Mathematics (STEM) 2021-2023
Baggao National Agricultural Sta. Margarita Annex

Highschool 2017-2021
Baggao National Agricultural Sta. Margarita Annex

Elementary School 2011-2017
Remus Elementary School
